FIRE CONTRACTORS NEWSLETTER

RECAP OF 2023 HIGHLIGHTS

NAFED - Chicago 2023

NAFED - Las Vegas 2023

NAFED Conventions: Our team participated in the NAFED Conventions in Las Vegas and Chicago, networking with industry leaders and staying abreast of the latest trends and regulations in fire protection. We showcased our comprehensive insurance solutions at these expos and connected with contractors and clients to address their unique insurance needs.

ALLIED INSURANCE MANAGERS

NFSA - Austin, Texas - 2023

NFSA Golf Outing - Oxford, MI - 2023

NFSA Events: We were featured speakers at the NFSA Annual Conference in Austin, Texas and attendees at the NFSA Golf Outing in Oxford, MI where we engaged with peers and shared insights on best practices in fire safety.

Viking Group Tour: We participated in the Viking Group Tour in Caledonia, MI where they provided us with a unique opportunity to delve into innovative solutions and embrace cutting-edge technologies within the realm of fire protection systems.

Viking Group Tour - Caledonia, MI - 2023

Looking Ahead to 2024

- **NAFED Las Vegas - March**: We're excited to announce our upcoming presence at the NAFED Convention in Las Vegas this March. Join us as we explore the latest advancements in fire protection and insurance solutions.
- **NFSA Hawaii - May**: In May, we'll be heading to Hawaii for the NFSA event, where we'll be presenting again and engaging with industry experts and discuss strategies to enhance fire safety measures across diverse environments.
- **NAFED New Orleans - May**: Our journey continues in May as we attend the NAFED Convention in New Orleans, where we'll collaborate with fellow professionals to address emerging challenges and opportunities in fire protection.

At Allied Insurance Managers, we remain committed to ensuring comprehensive coverage tailored to your unique needs.

As your trusted insurance partner, we're dedicated to staying at the front of industry advancements.

Stay tuned for more updates, insights, and events throughout the year as we continue our mission to protect what matters most.
